Could you please see consult Mr. Brearley. I think the next meeting will be a meeting of E.P.A. with a nice buffet lunch afterwards in place of their lunch for colleagues.

Monday 19 May looks difficult as Rohl will be coming, and Wednesday or Friday in arrange this for Monday afterwards arrange a buffet lunch afterwards instead of the lunch for colleagues?

MR BUTLER

I have had a careful look at the diary and I am afraid there are no free Wednesdays when you could have a three hour discussion followed by lunch.

But what about taking Monday 13 May starting at 1000 and cancelling the meeting of colleagues at 1200. Lunch-time is already blocked out for colleagues.
