**RATING REVALUATION: PRELIMINARY RESULTS OF EXERCISE: TRANSITIONAL ARRANGEMENTS**

The Chancellor was grateful for your minute of 16 September. He would be grateful for more information about the heavy losers referred to in the last two indents of your paragraph 4.4 (i.e. those losing by at least 100 per cent). What sort of firms are they? And where? In addition, he would find it helpful to have a breakdown of the shops who lose, distinguishing between chain stores and independent shops.
