*From the Private Secretary*

29 September 1989

**BROMPTON HOSPITAL: NMR IMAGER**

Thank you for your letter of 28 September and enclosures, which the Prime Minister has seen. She has asked whether it would be possible to resolve the issue by an arrangement under which the hospital paid an annual rent for the continuing use of the Imager.

I am copying this letter to Mr. Davey (Minister of State, Department of Health).

**PAUL GRAY**

Ian Gibbons, Esq.,  
Parliamentary Under Secretary of State,  
Department of Trade and Industry
