

Prime Minister

You didn't have chance to  
finish this last night.

PRIME MINISTER

GPS' CONTRACT: TARGETS

REC6  
27/3

You saw over the weekend the papers below and accepted an early  
review of the targets under the GPS' contract rather than any  
immediate changes.

But you did not I think have an opportunity to look at the  
revised 'Dear Colleague' letter attached to Ken Clarke's minute  
at Flag A. Ken Clarke is still quite keen to issue such a  
letter. Do you have any comments on it you want me to pass on?

REC6.
